To whom this may concern:

As of May 1<sup>st</sup>, the tentative assessment roll is available and must be displayed on all local government websites for the public to find. Please use the following information to update your local government website with a link to the tentative roll.

If you go to [www.washingtoncountyny.gov/](http://www.washingtoncountyny.gov/) and hover over "Your Government" and look under "Departments" you should be able to click on "Real Property Tax Service". Once you are at [www.washingtoncountyny.gov/263/Real-Property-Tax-Service](http://www.washingtoncountyny.gov/263/Real-Property-Tax-Service), which is the Real Property landing page, on the left you will be able to click on "Assessment Rolls" link on left.

At this page, <http://www.washingtoncountyny.gov/290/Assessment-Rolls>, you should be able to link on your town under the tentative roll links. Once the roll is open, you can copy the link in the address bar and replace it on your website where you currently have the link to final assessment rolls.

If you have questions about our new web site or this process, please feel free to give us a call. I would like to thank you in advance for keeping the most current data available to the public.

Sincerely,  
*Laura B. Chadwick*
