

JOIN US ON FACEBOOK "THE FORT STOPS PFAS" today for more information on basics of permit and questions to ask at meeting

Use this QR code with your device to easily register for the virtual meeting

**ALERT: CLEAN/EARTH PPP VIRTUAL MEETING**

**Date:** Wednesday, December 4th

**Time:** 7:00 PM - 9:00 PM

**Location:** Virtual Meeting

Your participation is **REQUIRED** to help stop the processing of PFAS soils in our region. This is a critical opportunity to voice your concerns and contribute to our community's efforts in addressing this environmental challenge.

**Why Your Participation Matters:**

- Every logged-in device will be counted by the Department of Environmental Conservation (DEC).
- Each question or concern voiced during the meeting is important and will contribute to the collective impact of our community's stand against PFAS soil processing.

**To Register:**

Click the link to register and secure your spot:
