OFFICE – 518.747.5212 -----FAX 518.747.2493

AGRICULTURAL DATA STATEMENT

Section 283-A of Town law and Section 7-741 of Village Law (effective July 1, 1993) require applicants for subdivision approval, special use permits, use variances and site plan reviews, to submit the following information if the property upon which their proposals is located is in an agricultural district or any boundary is within 500 feet of a farm operation (i.e., land used in agricultural production, farm buildings, equipment and farm residential buildings) located within an Agricultural District.

Project Name: _____

Project Location/Address: _____

Please provide a brief description of the proposed project.

Please provide the name of the current owner and address of any active farm operation or agricultural use within an Agricultural District which is located within 500-feet of any property boundary of the parcel containing the proposed project (continue on back as necessary)

1. _____

2. _____

3. _____

4. _____

5. _____

Please provide a tax map or other map showing the project parcel and adjacent parcels within 500-feet and identify those parcels that contain agricultural uses named above.

NOTE: The law requires the clerk of the reviewing board to send notice describing your proposal and its location to the adjacent farm operation/agricultural use owners identified above. Information regarding the location or identification of properties in Agricultural Districts and copies of tax maps may be obtained from the Washington County Real Property Tax Services, County Office Building, Upper Broadway, Fort Edward, New York 12828. Tel. 518-746-2130.
