Subject: WL Plastics - Amended Sanitary Sewer Plans

Dear Mr. Buxton,

The Washington County Sewer District #2 (WCSD) has received revised plans for the above referenced project. The revised plans show a septic system to be installed to handle all sanitary sewer needs for the site. We have reviewed and concur that the plan chosen is best for both WL Plastics and the WCSD.

This letter is not meant to replace or supersede any requirements of any other local, State or Federal codes or requirements.

Feel free to contact me if you have any further questions or concerns. I can be reached via e-mail at jbrilling@washingtoncountyny.gov or at the phone number above.

Sincerely,

A handwritten signature in black ink that reads "Joseph B. Brillling".
